

Cubs

May 2020

Choose at least 6 of the activity ideas below to complete (though do feel free to do them all) – make sure you get some photos or video as evidence.

1. Build a shelter/den – ideally outside if you have a garden that you can safely access, but if not then why not be creative indoors
2. Teach a family member a campfire song – this doesn't even have to be one you already know, there are loads online that you could learn so why not have a go!

3. Spend a night pretending to be at camp and sleep somewhere unusual but safe that is not a proper bed e.g. in a tent in your garden, or maybe in your shelter, pillow fort etc
4. Demonstrate tying a reef knot with the ends of your necker/group scarf

5. Write a prayer/poem for a Cubs Own gathering at the end of camp, all about what you love about being a Cub
6. Make a simple camp gadget – you will find lots of ideas for these online.
7. Make a flag to represent your campsite!
8. Help to cook a meal that you would enjoy eating on camp then wash up afterwards
9. Set a tracking trail either in your garden or around the house

A form will be available for your leaders to fill in to record what everyone in your pack has done and apply for your badge.
