

Scout Section

May 2020

Do numbers 1-3.

1. Build a shelter/den or put up a tent – This can be anywhere indoors that is safe (and agreed with by your family members!) Or it could be outside if you have a garden that you can safely access and is secure.
2. Spend a night in your shelter, den or tent. You cannot sleep in a proper bed, but you can use a camp bed roll mat etc. and your pillows, duvet etc.
3. Tidy-up, clean-up, pack up! When you have finished with your shelter, den or tent, make sure EVERYTHING is put away clean and tidy!

Choose at least 4 of the activity ideas below to complete (though do feel free to do them all)

4. Teach a family member a campfire song – this doesn't even have to be one you already know, there are loads online that you could learn so why not have a go!
5. Demonstrate tying a friendship knot with the ends of your necker/group scarf (search for; how to tie a friendship knot in your necker in Google or YouTube)
6. Build a bridge or tower using pioneering techniques. You will have to get creative when selecting your materials (think pens, pencils, skewers, cocktail sticks, sticks from the garden, blu-tack, mini marshmallows, jellybeans...)
7. Make a flag to represent your campsite!
8. Make-up a story that you can tell around the campfire (not too scary!)
9. Set a tracking trail either in your garden or around the house
10. Make your own camp supper using only three ingredients.

A form will be available for your leaders to fill in to record what everyone in your troupe has done and to apply for your badge.

Participation in any activity that takes place at home recommended and encouraged by Kent Scouts or any District or Group that are part of Kent scouting are totally under the control, safety and permission of the parent or carers of each young person.

Under no circumstances will Kent Scouts accept any liability or responsibility for any accidents; incident or injury to any person or persons or damage to property whilst participating in these activities.
