

IT'S COMPETITION TIME!

As you know we have lemon yellow scarves with a badge sewn on which depicts the village pump (which stands outside the Allens, opposite Stanleys garage), garlanded with hops. These badges are a special order and unique to Marden Scout Group. We are now starting to run very low on our stock of these badges so we thought we would set a competition to design a **BRAND NEW SCARF BADGE!**

THE BRIEF

We would like you to design a new badge that can be sewn onto the scarves. Remember that it is going to sit on a yellow background and the design can't be too complicated or with too many colours because there would be a huge cost to getting them manufactured – our current badge is only 2 colours of stitching! The template below is larger than the badge will be to make drawing and viewing the detail easier– it will be made to size when it comes to. You might want to choose a design that represents Marden again or a design that represents Scouting or a mixture of the two! You can choose the border colour too.

THE PRIZE

Having a version of YOUR design on the bottom of every Marden scarf for many years to come! There will also be prizes for each Section.

HOW TO ENTER

Draw your design on the attached form (along with your name, age and Section) and either hand in to your Leader by **24th April 2015** or e-mail it to mardenscouts@hotmail.co.uk.

Please note that we reserve the right to make adaptations to the winning design to suit manufacturing processes and the final design used will be the property of Marden Scout Group.
